

# Protect yourself at work – know your rights!

The third edition of the TUC's best-selling guide to employment rights at work is now ready! Due to the massive success of the 2004 edition, we have now completely revised and updated the text for 2008.

**Highlights include fully rewritten chapters on maternity rights, flexible working, holiday entitlement, health and safety and disciplinary procedures.**

The book is a 218mm x 135mm size paperback. The text deals with all major employment rights, devoting a full chapter to each. Chapters cover: starting a job, parental leave and maternity rights, discrimination and bullying, e-mail privacy, dismissal and redundancy, pay and holiday rights, and enforcing your rights.

**Easy-to-read and reliable, it offers solutions to the problems and issues that everyone can face at work. Using the law is always a last resort, but if you have to take that step, there is practical advice on that too.**

*Your Rights at Work* is written by employment experts at the TUC. As the people who campaigned for many of the rights set out in this book, there is no-one better to explain how they should apply in your workplace.

**“ This book should have a readership of about 25 million... every worker has something to gain from dipping into this simply written guide to their employment rights. ”**
