

HEALTH AND SAFETY UNDER THREAT

**The government believes
that health and safety is a
burden on business**

**REGULATION
ENFORCEMENT
COMPENSATION**

A pair of scissors with orange handles and silver blades is shown cutting through a red diagonal band. The band contains the words 'REGULATION', 'ENFORCEMENT', and 'COMPENSATION' in white, bold, distressed capital letters. The scissors are positioned as if they have just cut through the band, with the top part of the band being lifted away.

It wants to:

- remove as many health and safety regulations as it can
- cut inspections and enforcement
- make it more difficult to win compensation.

Don't let this happen. Take part in the TUC Day of Action on health and safety on **28 April 2012**, Workers' Memorial Day.
