Dear Colleague

The TUC Workplace Manual: 4th Edition

After the success of the third edition in 2016, the TUC has once again revised this popular manual to include recent legal changes in employment law and employee rights.

The Workplace Manual will be of use not only to stewards, but anyone who represents, advises or supports members, including learning, equality, green and health and safety reps.

The book also includes all the most up-to-date advice on the coronavirus and safe working.

This 212 page soft-bound A4 manual includes checklists, case studies and easy to read legal information. All reps will find it an invaluable source of practical advice and knowledge.

Frances O'Grady, TUC General Secretary says, "Trade union representatives are the unsung heroes of Britain's workplaces. Organised workplaces are safer, fairer and better because of what they do."

The book will be published next month, May 2021, but you can pre-order using the form overleaf.

And now you can opt to have your union's logo on the cover free of charge for orders over 100 copies, if you reply by 27 April.

Yours sincerely

Paul Rey-Burns
