

# Advocating for all working people

The TUC is the national centre for trade unions in Britain, bringing together almost 5.5 million working people who belong to our 48 member organisations. We promote the interests of everyone at work and their families.

The *TUC Directory* is our popular handbook of union information. Each member union is described in full, with details of key contacts. There's a handy unions-by-work-sector list and infographics about union density and reach, using official statistics. And news planners will find the diary of key union events in 2022 particularly useful.

You can also see details of TUC staff and how they deliver TUC programmes and priorities.

**“Our directory is a great one-stop resource for anyone interested in our movement.”**

**Frances O’Grady, TUC general secretary**
