

I'm UNITING to Save Public Services by Supporting the Northern Public Services Alliance Pledges

Pledge One:

To challenge austerity and seek economic alternatives that will create a stronger social and economic future

Pledge Two

To oppose privatisation of services and ensure they are co-ordinated to meet the public interest

Pledge Three:

To support fair pay and decent jobs for all and to value the importance of public services and workers to a good society

Pledge Four:

Investing in young people and public services for the future

Pledge Five:

Support social security and a caring society

2015

**Northern Public
Services Alliance
Manifesto**
