Currently if you lose your job and make a claim for Job Seeker's Allowance (JSA) you usually wait just over two weeks (17 days) before your benefit is paid. This is because JSA is paid a fortnight in arrears. The government is proposing a change, to pay benefits a month in arrears so that you would usually wait between five and six weeks after losing your job before you receive your first payment.

To what extent do you support or oppose this proposed change?

Strongly support	5	11	2	3	11	11	2	2	6	4	4	5	4	7	4	6	5	7	3	4	5
