

UNIONS FOR EVERYONE'S WORKING LIFE

Unions and their network of workplace reps help working people every day. In workplaces all over Britain there are unions making sure we are safe at work, protecting our jobs, pushing for higher pay, and helping us get learning and training.

 **UNIONS**

LET'S GET TOGETHER

The more people in the union at your workplace, the stronger it is.

The stronger your union, the more likely they are to win better pay deals for you. Your voice has more weight when you join with colleagues and speak together.

Ask your rep about the issues affecting your workplace now and how to join.
