

# UNIONS FOR EVERYONE'S WORKING LIFE

Unions and their network of reps help working people every day. In workplaces all over Britain there are unions making sure you are safe at work, protecting jobs, pushing for higher pay, and helping with learning and training.

The stronger a union, the more likely it is to win better pay deals for you. Your voice has more weight when you and your colleagues speak together.

So if you have a union in your workplace, think about joining. To find the one most suited to your job go to [tuc.org.uk/join-union](https://tuc.org.uk/join-union)
