

FREE training and networking event for outsourced workers

OUTSOURCED WORKERS CONNECT

WEDNESDAY 12 JUNE, 09:30–17:00

At Outsourced Workers Connect, union members and reps who are outsourced and work in facilities management in the public sector will come together to discuss the issues facing their colleagues and workplaces, and how to run successful campaigns to resolve them.

You'll hear directly from other outsourced workers who have won campaigns in their workplaces for:

- higher pay
- more holiday days
- better sick pay
- insourcing

Speak to your union about getting time off work to attend this training. A small number of bursaries will be available for travel expenses. To apply for a travel bursary, please email: ourworkmatters@tuc.org.uk
