# Annual Conference

Organised by an elected committee of retired trade unionists, this conference provides an opportunity for delegates to consider the priority issues facing pensioners. Trade unions bring security and a better way of life to working people and those who have retired.

## MOTIONS

Motions relating to pensioners can be submitted if supported by the appropriate union official and received at the South West TUC Office no later than noon 30 August 2018.

## PENSIONERS' COMMITTEE

Nominations for delegates to serve on the South West TUC Pensioners' Committee must be submitted to the South West TUC Office no later than noon 8 October 2018 for election at the Conference. Contact your union or South West TUC for more details.

## AGENDA

The agenda will include keynote speeches and delegates will discuss any motions submitted. The South West TUC Pensioners' Committee determines the agenda – it is a conference run by pensioners for pensioners.

There is space for a small number of stalls for campaign or advice groups of interest to retired members. For further information contact the South West TUC.
