

TUC DIRECTORY 2017

This is the popular yearbook of facts, stats, links and useful information about Britain's largest voluntary organisation. Each of the TUC's 51 member unions is described in detail, with full contact information, using data supplied by the affiliates themselves.

In addition, there's a handy unions-by-work-sector list, and infographics about union density and reach, using official statistics.

Plus you can see which TUC staff, nationally and regionally, are covering the different TUC policy and campaign objectives for the coming year.

There is also a section dedicated to links with international organisations. At the back is a diary of key union events throughout the year.

“Union members are a strong collective force for a decent society and this yearbook shows you how we function and come together as a movement.”

Frances O'Grady, TUC General Secretary
