

Building Stronger Unions

A Wales TUC conference to support trade union organising

6th February 2007 - All Nations Centre, Cardiff

10am to 4pm

This conference will support unions in Wales to increase membership.

There are clear signs that unions are on the way back up. Two-thirds of TUC affiliated unions have grown since 1997. But there is more we can and must do. That is why the Wales TUC and affiliated unions are putting more resources into organising.

The conference will include:

- expert speakers on the latest labour market information in Wales
- workshops to develop organising skills and strategies
- opportunities to share good practice in organising.

The conference is aimed at all union activists who want to see their trade union grow - including shop stewards, health and safety reps, union learning reps and officers involved in organising or in organising organisers.

The conference is free of charge & includes lunch.
