

CONGRESS 2025 EXHIBITION STANDS OPTIONS AND COSTS

There are two options for a stand at Congress:

Space-only

A space-only site allows you the flexibility to design and build your own stand within the allotted area.

Shell scheme

You can have a pre-made shell scheme stand – three wall panels (two for corner sites), with a fascia nameboard detailing organisation name and stand number, carpeting and one 13-amp socket and one light.

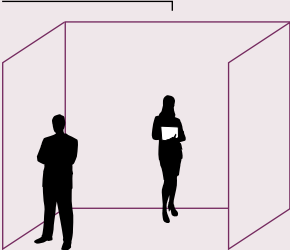

These stands come in six sizes but we do offer bespoke schemes on request.

Size	Cost*
① 3m x 1m	£2,314
② 2m x 2m	£3,084
③ 3m x 2m	£4,624
④ 3m x 2.5m	£5,782
⑤ 3m x 3m	£6,939
⑥ 4m x 3m	£9,252

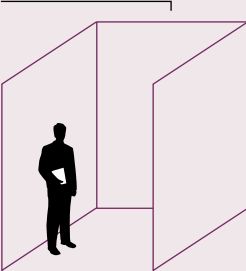

Note: prices are the same whether you choose space-only or the shell scheme.
